

Its almost summer time, but first, let's get together and plan.

## Emerson-Garfield Stakeholders

### Emerson-Garfield Neighborhood Planning

Yes, its that time again - here's your reminder for the upcoming June Stakeholder meeting. We hope to see you next Wednesday! This will be our last meeting until August, so lets make it count.

Please invite your contacts! If you know another potential Stakeholder from Emerson-Garfield neighborhood: a resident, business manager or owner, property owner or landlord, or **minister at a church** (we need representation from this group) please invite them to join you. We are shooting for 15-20 dedicated Stakeholders to be a part of our planning team.
