Hi Everyone

I thought you might find my notes useful from the last meeting we had regarding CDBG funds through this program. This is what I heard so if any of you in attendance heard something important that I missed, please pass it along to everyone. Thanks, Sandy

Priority Areas supported by the group.

We're asking the neighborhoods to seek support at our September Neighborhood Council mtgs.

With support from District 3 neighborhoods, George will help us craft the project descriptions to be placed in the menu of projects our district is interested in supporting.

1) Housing - rehab or new construction for low/moderate income individual & families

*** Single Family Housing -- such as programs the rehab derelict/abandoned houses (similar to the program through Habitat for Humanity)**

*** Multi-Family Housing -- expand, rehab or develop**

2) Child Care -- expand access and capacity for childcare that is affordable to low/moderate income families

*** Rehab a facility**

*** expand or develop a center**

*** NonTraditional Hours -- accessible during evenings & weekends**

Emerson-Garfield Neighborhood Council Meeting Agenda

Date: September 11, 2019 **Time:** 6:00 pm

Location: Corbin Senior Center

827 W Cleveland Ave, Spokane, WA 99205

3) Senior Services/Centers where they don't currently exist

* North of Wellesley

* Facility Development / Rehab to make services/activities available to seniors

General Discussion about Limitations with CDBG funds

- **Projects need to be capital projects**
- **They cannot be for service delivery**

- **Projects need to show benefit to low/moderate income households.**

* Traffic calming projects don't work for CDBG funds

I think those are the highlights. Did I miss anything?

Sandy
