

## Emerson-Garfield Neighborhood Council

*Wednesday, May 12, 2021*

The meeting began at 6:01 pm with 21 voting members present. The roster also recorded 8 guests. The minutes were approved without any changes, with no objections and no abstentions.

A request to add discussion of the City's Sustainability Action Plan to the agenda was granted.

The [Community Engagement Grant](#) deadline extended to May 21. The grant is for up to \$800 and is intended to help neighborhood councils engage with their neighbors and encourage attendance to neighborhood council meetings. Rachele proposed using a portion of the funds on a Zoom Pro account. We discussed funding additional dump passes, though Gabby did not advise we use the funds for this because the City is able to fulfill these requests. Mark suggested we send postcards to residents with links to our social media. Gabby noted that the City will be sending out postcards regarding the dump passes that can include social media and website information.

[Traffic Calming Program](#) changes were discussed. Carlie wanted to remind the group that neighborhoods will no longer be applying for projects each year, and the new process will have a 4-year timeline. The plan is for neighborhoods will meet with a facilitator to help identify larger projects that will leverage more funding. There will be a more holistic look at the neighborhoods and projects. Each neighborhood will have the opportunity to meet to rank their most pressing traffic issues.

Linda discussed the [Sustainability Action Subcommittee's Sustainability Action Plan](#) draft. The subcommittee is seeking feedback and comments regarding the draft document. They are also holding three workshops ([Thursday May 20th at 6-7:30pm](#); [Saturday May 29th at 10-11:30am](#); [Thursday June 3rd at 6-7:30pm](#)). After reviewing the SAP, please [submit your feedback](#) to the Sustainability Action Subcommittee (SAS). Your feedback will help guide revisions and provide City Council guidance on moving Spokane toward a more sustainable future.

Nominations for the 5 officer positions were taken. The nominees were: Chair – Mark Carlos; Vice-Chair – Karl Boldt; Secretary - Carlie Hoffman; Treasurer – Gene Brake; Community Assembly Representative – Brenda Martinson. Carlie will create a Survey Monkey ballot and send it to the voting members.

The group further discussed ideas for the Community Engagement Grant. We decided to vote on using up to \$250 of the funds to purchase a Zoom Pro account and the remainder of the \$800 to purchase promotional stickers with links to our neighborhood council web page. The results were 13 yes votes, 0 no votes, and 0 abstentions.
